Welcome to 9ISFE 2020

We are delighted to announce that the 9th International Symposium on Fish Endocrinology (9ISFE) will be held in 2020 in Guangzhou, China. The ISFE meetings have been organized every 4 years since 1988 by scientific societies on comparative physiology and endocrinology worldwide. The Local Organizing Committee for the 9ISFE is chaired by Prof. Haoran Lin, an Academician of China Engineering Academy, with members from the Mainland, Hong Kong and Macao. On behalf of the Chinese Society of Comparative Endocrinology and Chinese Society of Zoologists, we would like to welcome you all to come to Guangzhou for this major event in the field of fish endocrinology, and your participation will be the key to success of the meeting. During the period of preparation, the program of the meeting will be continuously updated.
